NOTICE

**Regarding conclusions of the Provincial People's committee (PPC) in the meeting
dated July 15, 2008
Endorsement of fish corral reorganization plan and "boat hang up" policy in Phong
Dien and Phu Loc Districts**

The meeting for endorsement of the pilot plan for fish corral rearrangement and "boat hang up" policy in districts Phong Dien and Phu Loc was convened by Mr. Nguyen Van Cao - Vice Chairman of the PPC on July 15, 2008.

Meeting attendants are representatives for provincial departments: Department of Agriculture and Rural Development (DARD), Department of Finance (DoF), Department of Planning and Investment (DPI), Department of Labor, Invalids and Social Affairs (DOLISA); leadership representatives of Phong Dien and Phu Loc districts.

After being reported on the draft plan by two representatives for districts Phong Dien and Phu Loc, Mr. Nguyen Van Cao - Vice Chairman of the PPC make the following conclusions:

So as to implement the pilot of fish corral rearrangement in the lagoon in line with objectives, contents in an effectiveness and feasibility way, creating the scientific foundation as well as approaches for pilot policy of "boat hang up", the PPC require:

1. District PC of Phong Dien keep on implementation fish corral rearrangement pilot in the district lagoon area. On the basis of the Draft, DPC work in collaboration with DARD to reach agreement on contents, technical options, and implementation approach before working with the following department: DPI, DoF, DOLISA to agree upon compensation policies as soon as the rearrangement plan is implemented in the district lagoon area and submit for approval by July 30, 3008.

2. DARD:

- Provide guidance to Phong Dien DPC to complete the plan as well as agree upon contents, implementation options, and technical methodologies, organization options for proper and highly feasible implementation in a sustainable way.

- Facilitate collaboration with technical agencies to conduct general survey based on the scientific studies to propose capture-closed areas and seasons as well as work in collaboration with DPI, DoF, DOLISA to make proposal of planning policy of "boat hang up" to make sure they are reasonable, synchronous and suitable.

- Facilitate collaboration with Phu Loc district to organize checking and evaluate the past reorganization, provide the district guidelines on the rearrangement in the lagoon in accordance with technical and planning indicators and other relevant factors to make sure high feasibility and consistence.

- Complete focal programs in implementation of the decision no 2093/QD-UBND dated September 15, 2007 of the PPC on the Action Plan in implementation of the Resolution no. 06/-NQ/TU dated June 15, 2007 of the Provincial Committee of the Party, the thirteenth term, on marine and lagoon economic development of Thua Thien Hue from now until 2010, vision toward 2020 which require for program development of fish corral rearrangement and activities change in Tam Giang - Cau Hai lagoon and submit to PPC for approval (at the request letter no 3058/UBND -TM dated June 13, 2008 of the PPC).

3. DPC of Phu Loc continue implementation of the fish corral rearrangement plan with the technical guidelines of the DARD; work in collaboration with DARD to organize monitoring and assessment of fish corral reorganization in the recent time so that proper proposals for effective upcoming implementation will be made; control and checking should be consolidated; management regulation should be developed; reoccurrence of fish corral units after reorganization should be strictly settled; evaluation of implementation status, the reorganization results and proposal of upcoming plan should be reported.

4. DPCs of Phong Dien, Quang Dien, Huong Tra, Phu Vang and Phu Loc should take active role in strengthening management of the district lagoon areas; regulation on lagoon water surface using and management should be issued with the aim at elimination of fish corral units in the lagoon area.

The notice has been reviewed and approved by the vice chairman of PPC and approved. The PPC would like to inform to agencies and relevant localities for information and implementation./.
